HOW TO USE YOUR CARD

1. Place the card on the glass of your front door (or window), or near your front door, so that it can be seen clearly by visitors.
2. When someone calls at your home, look through your window or spyhole in your door. If you do not recognise them **DO NOT OPEN YOUR DOOR.**
3. Give them time to read the card. If they do not leave, get in touch with your nominated contact and tell them you have a caller at your door.
4. If your contact is not available, do nothing. If the caller is genuine, then they will note the details on the front of this card and will get in touch with your nominated contact. If they do not leave, call the Police on 999.

IF IN DOUBT, KEEP THEM OUT

REMEMBER:

- Genuine callers will not mind waiting.
- It is your home, you do not have to let anyone in.
- It is not rude to refuse letting a stranger into your home.
